

# Special invitation to **Chicago MINI Motoring Club** GINGERMAN DRIVING SCHOOL

Two day driving school at wonderful GingerMan Raceway on June 27 & 28. GingerMan is just east of South Haven, Michigan, which is a small vacation area. The track is ever so short of 2 miles, very wide and quite challenging. There will be classroom and track driving. We teach transferable skills you can take with you to other tracks as well as in your daily commute to the office. This is a driving school, not a timed event or race school.

Method for application acceptance: BMW CCA members-first come first in so mail your application right away. If there are spaces left at deadline date, we will put in the non-members.

**INSURANCE ISSUES:** Please be aware that some insurance companies are adding waivers to their policies that specifically suspend comprehensive coverage for your vehicle if it is used on any closed (i.e. not public) roads. Please contact any of the chairpeople if you have questions regarding this.

The same old rules apply, no convertibles without hardtop and roll bar, helmets Snell 2000 rated or newer and helmets will be checked, 18 years of age or older, equal restraint, no r-compound tires for novice and an unrestricted drivers license. As always we reserve the right to refuse any application.

**TIRES:** No R-Compound tires for novice drivers.

Only street legal cars are eligible.

Keep in mind that this event is held on a racetrack, and while our instructors will not push you beyond your (or more importantly "their") level of comfort, some risk is involved which by its nature, cannot be completely removed. Pay attention to your instructor and you will learn a lot, safely, and have a lot of fun.

**HELMETS:** It is strongly recommended that you use a full face helmet and helmet support. Helmets will be checked at pretech and registration.

**A PRE-TECH** of the cars will be held on June 13th at Patrick BMW in the building behind the dealership, 707 Remington, Suite 6, Schaumburg, IL. from 10:00am to 1:00pm. Please indicate on the form if you plan to attend so we can schedule you a time.

**BRAKES:** Bring one extra set of pads per driver. Note brake pads

designed for racing may not be appropriate for a driving school. Also, cheap, generic automart pads are a bad investment. If you have questions about brake pads ask one of the chairpeople.

**HARNESSES:** Equal restraints are required. If you have a harness then your instructor needs a harness.

**SATURDAY NIGHT DINNER:** We will be having a Fajita Bar (chicken or steak) along with all the other toppings catered by South Haven Catering Company at the track. The dinner will start right after the last session on the track (5:45). Ice cream too!!!!

**HOTEL RESERVATIONS ARE YOUR RESPONSIBILITY.** Be sure to ask what the hotel cancellation policy is. See below.

We reserve the right to refuse any application.

**YOU MUST BE 18 OR OLDER TO DRIVE.**

Fill out **completely** and mail to:

GingerMan Driving School, Barbara Adams,  
PO Box 133, Glenview, IL 60025

Make check payable to Windy City BMW.

**REGISTRATION FORM:**

Deadline is June 5th or until full.

*During this school, you may be driving your car on the track at speeds not normally attained on the highway. A mishap can result in property damage or serious physical injury. You will be required to sign a waiver releasing the Club from liability in such an event. Thus, you must assume the risk as a condition of participating in the school.*

*You agree to be responsible for any damage to track property that you may cause.*

*You will need to sign a waiver that signs away your rights. You will receive a copy to review.*

*Please be aware of this before sending in your application.*
